**National flag**

For the opening ceremony, all the teams must bring a flag equipped with a handle (dimension 150cm x 100cm)

**Aero-tow Ropes**

Each pilot shall have his own aero-tow rope (50 to 60m length). The aero-tow rope must be equipped with TOST rings.

**Anticollision**

The organisers strongly recommend all gliders to be equipped with the “FLARM” anti-collision system (or any other equivalent and compatible system). The organisers are in talks with the French dealer to provide (on booking) some units available for rental during the competition.
